Dear Mr. Sheppard,

I am writing in support of the Game Changers model for improved police community relations in San Diego. As you have expressed in your goals and mission, fostering better relationships and encouraging respectful dialogue between communities and police officers is of the utmost importance in creating safe and livable neighborhoods.

Your model for bringing together residents, government representatives, and law enforcement, is a strong change agent that will produce a safe and healthy environment for officers and community members. I sincerely commend your efforts.

I look forward to working with you in the future as we develop relationships and collaborate to strengthen our communities. Please feel free to contact me at (619) 645-3133 should you have any further questions.

Sincerely,
