Dear Mr. Sheppard:

On behalf of the City of San Diego, I am pleased to offer my support for the Game Changers program which serves to enhance relations between the city's Police Department and communities.

The organization's commitment to serving every community embodies my vision for One San Diego where every neighborhood is safe and thriving. The Police Game Changers program builds lasting relationships between communities and the police officers that serve these communities to address the important issues that affect our neighborhoods.

Thank you for your efforts to improve the quality of life in San Diego. I am proud to support The Game Changers Program.

Sincerely,

Kevin L. Faulconer
Mayor
