Dear Mr. Sheppard,

### **RE: "Game Changers" Program**

On behalf of the San Diego Police Officers Association, which represents the over 1850 sworn officers of the San Diego Police Department, I wish to express our support of your Game Changers program. We believe it is an innovative and collaborative way to foster positive relationships between law enforcement and the community.

Your program offers a unique opportunity to conduct a constructive dialogue between law enforcement officers and citizens. Your "Wellness Model" along with the long-term commitments from participants will hopefully provide a means of establishing meaningful connections with community members to discover our shared goals which may not be realized otherwise.

The San Diego Police Officers Association is committed to supporting the efforts of your Game Changers program. We look forward to working with you in the near future to bring about a positive change in the San Diego Community.

Very truly yours,  
BOARD OF DIRECTORS  
San Diego Police Officers Association

Brian R. Marvel  
President
